

# Soul Level Art – Hostess Guide

## Thank You for Hosting a Soul Level Art Session

Your generosity in opening your home and heart helps others experience creativity on a soul level. Together, we create a welcoming space where guests can reconnect with their intuition, imagination, and inner joy.

## Your Role as Hostess

- ~ Welcome guests into a relaxing, positive environment where they can feel comfortable and inspired.
- ~ Encourage each guest to register directly on the Soul Level Art website to confirm their spot.
- ~ All sign-ups and payments are completed online.
- ~ Let guests know they can also book their own in-home session or register for upcoming workshops listed on our calendar.
- ~ You may wish to offer light refreshments or water to set a friendly, creative tone.

## Session Details

Length: Approximately 3 hours (we will be there 15 minutes before the session)

- ~All materials are provided – canvases, paints, brushes, palette knives, gloves, guest aprons, and intuitive tools. We also bring cleanup supplies, so you can relax and enjoy the creative flow without worrying about the mess.
- ~Guests need only bring an open heart, an open mind, and a willingness to have fun.
- ~Encourage comfortable, paint-friendly clothing.

Soul Level Art is an experience of intuitive guidance, joy, and creative play — a time to remember, reconnect, and express the soul through color and movement.

## Follow-Up & Success Tips

Send a friendly reminder a few days before your session:

"Just a reminder — our Soul Level Art session is coming up! Can't wait to see you for creativity and fun. Wear something comfy and ready to paint!"

- ~ Soft background music or calming scents can enhance the atmosphere.

- ~ And most importantly — relax and enjoy! Luann and Ginger will bring everything needed to guide your group through a meaningful, uplifting experience.

## Your Spirit of Welcome

You are not expected to teach. Your kindness, laughter, and openness help everyone feel at ease and ready to create from the heart.

*With Gratitude* ~ Thank you for helping others experience the joy and peace that come from creating at the soul level. Together, we are building community, light, and inspiration ~ one brushstroke at a time.
